

Church Rithe:

Church Rithe:

A small Rithe that runs NW from the western end of Swear Deep. Access is possible from Northney Marina or from the slipway on the north side of the Marina, into New Cut. Northney Marina manages both these access points.

Access is also possible from the village of Langstone, although more restricted by the tide. The moorings are laid in a single line of 13 in number B3 moorings, and 8 in number C3 moorings. These moorings are ideally placed for sailing from this part of the harbour.

NB: *The allocation of vacant moorings is subject to the suitability of the vessel and the location of the mooring. Hirers are subject to the Conservancy 'Conditions of Hire' when accepting the offer of a mooring.*
