

Nutbourne Channel:

Nutbourne Channel

A deepwater channel is located in this quiet area of the harbour with twelve A3 mooring for vessels upto 9m and three A2 moorings at the head of the channel, which are suitable for shallow draft vessels over 9m

Access is possible from Thornham Marina, where there is free car parking available for Conservancy customers, or from the dinghy chains by Prinsted Point.

The Marina also offers our customers the use of toilets, shower facilities and the Clubhouse bar.

* Access to mooring from dinghy chains +/- 3hrs either side of HW.

* Access from Thornham Marina +/- 2 hrs either side of HW.

* Free Car Parking and use of Clubhouse facilities for Conservancy hirers

NB: The allocation of vacant moorings is subject to the suitability of the vessel and the location of the mooring. Hirers are subject to the Conservancy 'Conditions of Hire' when accepting the offer of a mooring.
