

# AT THE SEASIDE IN CHICHESTER HARBOUR

Hey children my name is Gusty the gull, and I live on West Wittering beach

- This beach is in the South of England.
- A beach is where the land meets the sea.
- People like to visit beaches to paddle in the sea and sunbathe.
- There are beautiful views to enjoy. Some people like to sail in a boat or go for a walk.
- This a special place, where animals and plants live.

What animals and plants can you find on the beach?

Shells

Seaweed

Sand Spaghetti  
(worm casts)

Cuttlefish Bone

Pebbles

Beach Huts

Sand Dunes

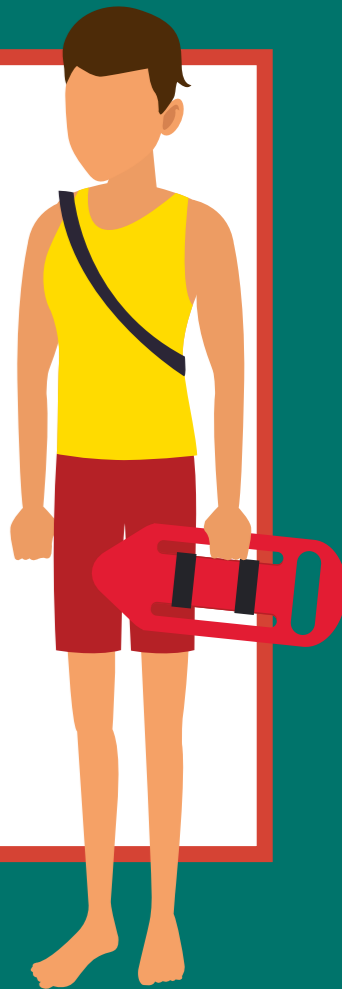

Sailing Boats

What can we see at the beach?

## Keep safe at the beach!

1. Remember your sunscreen and hat.
2. Stay together and close to your teacher. Stay out of the water unless your teacher or parents say you can paddle.
3. Look out for lifegaurds wearing yellow if you need any help in the water or on the beach.

Can you find a small Gusty hiding in one of the pictures?
