

# Keep Chichester Harbour Clean

## To use a pump out:

- See overleaf for a list of marinas with pump-outs
- Simply contact the marina
- Tell them when you are arriving
- Berth
- Let them take over

*Simple!*

## Keep Chichester Harbour Clean

Using pump outs prevents raw sewage from entering the harbour and damaging our precious eco-system. Give small fish and other wildlife a chance!

*“Good water quality is vital to the wildlife of Chichester harbour. Discharges from boats contribute to the excessive nutrient loads in the harbour, causing degradation to our most important habitats such as saltmarsh and seagrass beds. Microbial pollution impacts on shellfish too.”*

Ecologist, Peter Hughes

### Contact Details for Pump-outs

#### Emsworth Yacht Harbour

Thorney Road, Emsworth, PO10 8BP  
01243 377727 | [info@emsworth-marina.co.uk](mailto:info@emsworth-marina.co.uk)
